Report of the President

Dear Brethren in Christ:

By the mercies of our Heavenly Father we have been privileged to round out another year of service in His Church here in the world. We have now come together in the one hundred and twenty-second annual convention of our beloved Synod. The work has gone on with regularity and our pastors and people have shown deep interest in the discharge of their respective duties in the various lines of activity of the Church. We count ourselves fortunate in being privileged to hold this convention in Holy Trinity Lutheran Church of Hickory, which is in the center of a large Lutheran population, and right at the door of our college. We feel sure that we will not only feel ourselves greatly indebted to the pastor and congregation for their many favors shown us while we are their guests, but we trust also that by meeting here we shall gain a larger acquaintance with our college work, so that we will return home with renewed zeal and determination to make here the best school possible for our sons and daughters. We congratulate ourselves in having with us in our Synod two among the oldest ministers of our Church, Rev. L. A. Bikle, D.D., who celebrated his ninety-first birthday the 6th of this month, and Rev. G. H. Cox, D.D., who celebrated his eighty-seventh birthday on the 9th of August.

Herewith we submit a resume of official acts during the synodical year, together with certain other matters of interest, for your review and consideration at this meeting.

VIII. *Corner Stone Layings.*

1. On Sunday, May 3, 1925, Rev. M. L. Pence preached the sermon and I laid the corner stone of the new Cedar Grove Church, assisted by the pastor, Rev. B. J. Wessinger, who had charge of the service. This church, which is built of brick, takes the place of a frame building, and is quite a credit to Pastor Wessinger and his congregation for their loyal cooperation in building it. The approximate cost of the building is \$7,200, all of which has been paid in full.

2.—Under the pastoral leadership of Rev. J. A. Yount, St. Stephen's congregation, Gold Hill, has built transepts to its church

and has constructed Sunday School rooms in the rear of the building, rearranged the chancel so as to make it conform to Lutheran usage, and repainted the entire building, inside and outside. The cost of these improvements was approximately \$3,600. A corner stone was laid and the church rededicated September 27, 1925, by your President, assisted by Pastor Yount and Rev. G. H. Cox, D.D.

IX. *Dedications.*

1.—Salem Church, Rev. W. G. Cobb, Pastor, was rededicated after extensive improvements referred to last year, on Sunday, April 12, 1925, by your President, assisted by the pastor, and by Revs. G. H. Cox, D.D., and J. S. Wessinger.

2.—On Sunday, May 17, 1925, Calvary Church of Spencer was dedicated by your President, assisted by the pastor, Rev. F. B. Lingle and Rev. G. H. Cox, D.D., who preached the sermon for the occasion. This beautiful stone church was constructed several years ago, under the pastoral supervision of Dr. Cox. It is now free of debt and is doing a fine work, under Pastor Lingle's administration.

3.—The improvements begun on St. Matthew's Church last year have been completed, and the church was rededicated June 11, 1925, by your President, assisted by the pastor, Rev. B. M. Clark and Rev. G. H. Cooper. The transepts afford much needed Sunday School rooms, and the rearrangement of the chancel brings it more into harmony with Lutheran appointments. The church has been painted inside and outside, and a furnace installed. The cost of these improvements was around \$3,000.

4.—St. Peter's Church, Rev. B. M. Clark, pastor, has also completed its improvements, referred to last year, and was rededicated July 5, 1925, by your President, assisted by the pastor and Rev. J. C. Dietz.

X. *Other Improvements.*

1.—The new Sunday School Building of Macedonia Church in Burlington was formally opened on Sunday, January 18, 1925. Your President preached the sermon for the occasion at the morning hour, and Hon. B. Capps of Gastonia, N. C., addressed the congregation in the evening. A reception service was given in the afternoon, when greetings were presented by representatives of the city churches, and by a representative of the city. The services were all under the direction of the pastor, Rev. H. P. Wyrick, under whose leadership the building was constructed. The building contains fifteen class rooms and an assembly room, and affords splendid advantages for good Sunday School work. The cost of

the building was about \$14,000. Also about \$1,000 was spent on improvements to the church at the same time.

2.—St. Timothy congregation, Rev. A. R. Beck, pastor, is building a beautiful new brick church, with full size basement for Sunday School work, which will be modern in equipment and quite a credit to both pastor and people. The estimated cost of the building, including labor donated, is around \$15,000.

3.—The first brick for the new St. John's Lutheran Church, Salisbury, was laid June 8, 1925, at which time an impressive service was held for the occasion, which marked the beginning of what promises to be the largest and best equipped church in our Synod. The walls of the building will soon be up, and it is hoped to have it under roof before so very long. It would be difficult to give the exact cost of the building at this time, however the building itself, without equipment, will cost approximately \$150,000. Dr. Fulenwider and his congregation are looking forward with great interest to the completion of this splendid undertaking.

4.—St. Paul's Church, Rev. C. E. Ridenhour, pastor, to which reference was made last year, is nearing completion, and will be one of our best churches when finished, and will afford splendid equipment for up to date church work in the rural congregation.

5.—Holy Trinity congregation in Gastonia, Rev. J. L. Yost, pastor, has built a modern new parsonage, at a cost of \$10,000. Also, art glass windows have been installed in the church at a cost of about \$850.

6.—Union Church, Rev. J. C. Dietz, pastor, has built a modern Sunday School building, which is provided with class rooms for splendid work in that line. Both the Sunday School building and the church will be heated by a furnace which was installed this summer. Counting the cost of material and labor furnished by the congregation, the building and other improvements amount to more than \$6,000.

7.—Christiana congregation has built transepts to its church and rearranged the chancel, all at an approximate cost of \$3,500. This congregation under the leadership of Rev. H. A. Trexler, pastor, is enjoying splendid developments and needs this extra room for Sunday School work.

8.—Friedens congregation, Rev. G. W. McClanahan, pastor, has greatly improved its church, by putting in a new floor, rearranging the chancel, installing new pews, and redecorating the entire building, inside and outside, all at a cost of approximately \$3,800. Also, water has been installed in the parsonage at a cost of \$500.

9.—St. Martin Church, Rev. C. R. Patterson, pastor, plans to build transepts and Sunday School rooms to its church this fall. The material is on the ground and everything about ready for the work. It is estimated that the improvements will cost about \$4,000.

10.—Holy Trinity congregation, Troutman, Rev. John L. Morgan, pastor, has secured a new brick parsonage at an estimated value of \$7,000. This parsonage was built under the direction and to a considerable extent by the labors of the pastor, who in that way assisted the congregation in securing it. The congregation has also begun the building of a new brick church, which will be modern in its arrangements and quite a credit to the congregation and pastor. We are not able to give the estimated cost of it, but it will be similar to Chapel Church of Gastonia.

11.—Under the direction of Rev. C. P. Fisher, who has been supplying the church in Richfield, the Richfield Pastorate has purchased a house and lot for a parsonage at a cost of \$1,750. The old parsonage which was in the country has been sold.

12.—St. Mark's congregation of China Grove, Rev. C. P. Fisher, pastor, has installed a new pipe organ at a cost of \$6,500, which adds very much to the worship of the congregation. Also the parsonage has been repaired at a cost of \$700.

13.—St. Matthew's Church of Kings Mountain, Rev. A. M. Huffman, pastor, this year celebrated with appropriate services, the fiftieth anniversary of the beginning of that congregation. On this occasion, the four living charter members of the church announced that they are remembering the congregation in their wills, in the aggregate sum of \$37,000. This generous consideration is deserving of our sincere commendation.

14.—Augsburg Church of Winston-Salem, Rev. S. W. Hahn, pastor, has sold its church for the sum of \$100,000, reserving the organ, windows and other furnishings, all of which are estimated to be worth \$10,000, and has purchased a lot on another street which is 150 feet wide and runs through the block, for which it paid \$25,500. It is planned to erect a modern church on this lot, which will be a credit to the congregation and an agency for building up the Lutheran Church in that growing city.

15.—A new Sunday School building was added to Holy Communion Church, Dallas, while Rev. C. N. Yount was still pastor there, which gives ten class rooms and a ladies' parlor on the main floor, with provision for double this space in the building when the basement is finished. The class rooms are equipped with black boards, charts and other furnishings necessary for complete school

work. The building and furnishings, together with improvements on the church grounds, represent a cost of about \$6,000.

16.—Considerable improvements have also been made on Christ Church, in the Dallas Pastorate, including a permanent partition which separates the Sunday School rooms from the main auditorium, a new altar and lecturn, a complete set of chancel furniture coverings for all the seasons of the church year, a new carpet, and the reconstruction of the chancel and choir platforms. Also improvements were made on the church lot. The cost of these items, not counting free labor, was about \$700. Also considerable improvements were made on the parsonage.

XI. *Conferences.*

Each of the Conferences of Synod has held interesting meetings this year, which were well attended and appreciated. The programs were interesting and helpful. In the Eastern Conference, Emmanuel's Lutheran Church was dissolved and its members transferred to the neighboring Lutheran congregations. The congregation was joint owner of a church with the Reformed people to whom it sold its interests. Special consideration was given in the Conference programs this year to the work of the Sunday School which we believe will prove very helpful. The Presidents of the respective Conferences are:

Rev. E. A. Shenk, Greensboro, N. C., Eastern Conference.

Rev. L. A. Thomas, Concord, N. C., Southern Conference.

Rev. John L. Morgan, Troutman, N. C., Western Conference.

XII. *Deaths.*

The Lord has been gracious to us as a Synod this year in that not one of our ministers has been called away by death, for which we should give him our sincere thanks. However, the home of Rev. W. H. Little has been saddened by the death of Mrs. Little, which occurred January 9, 1925. Also, Mrs. R. L. Brown, widow of Rev. R. L. Brown of sainted memory, died July 17, 1925, after a long siege of suffering. We offer sincere sympathy to the sorrowing members of these bereft families.

XIII. *Miscellaneous.*

1.—It should be a matter of interest to this body to know that the Pan-American Congress of Protestant Churches which was held in leading centers in South America this year, has been pronounced a success, and bids fair to help bring about a better feel-

ing among the peoples of the two continents, as well as to open the way for greater service by the Christian Church.

2.—A Free Conference of Lutherans was held in Salisbury, N. C., May 5, 1925, for the purpose of considering practical matters of common interest to all the Southern Synods. The meeting was largely attended by members from the several Synods, and the interest was good. Dr. A. G. Voigt was chosen by the brethren at the meeting to preside over the conference.

3.—The United Lutheran Church at its last Convention approved the establishing of Andhra Christian College in India, by the Lutheran Church, and it is hoped that all the Synods, congregations and members will do all they can to help make that school a success.

4.—It will be interesting to this Synod to know that more than \$63,000 has been subscribed in the Synod on our quota of \$66,000 for the new buildings for the Orphan Home at Salem, Va. Let us hope that enough will yet be subscribed to make it a 100% success in our Synod. I desire in this connection to express appreciations in the name of the Synod for the splendid services rendered in this canvass by the managers of the appeal in our respective Conferences, namely: Mr. J. V. Sutton, Mr. J. A. Kellenberger and Hon. J. C. Sigmon.

5.—We take it for granted that all of our people are acquainted with the effort which Dr. W. H. Greever is making to raise the \$300,000 endowment and building fund for the Southern Seminary. This is a much needed fund and we hope that all will respond liberally to this appeal. We want our Synod to meet her full quota in this cause.

6.—The two outstanding objectives for our own local Synod, as it appears to us, are Home Missions and Education. We have a great opportunity to expand and build up our Church in this State, if only we will take hold of the mission work in earnest and give it the support which we are able to give. Too often missions are organized and then left to struggle for a long time without a church in which to worship, until they become discouraged, when the proper help from Synod would set them on their feet to success. And no less worthy is the call of our schools of the Synod for loyal support and patronage. Let us do all we can to make them serve our Church to the best advantage possible.

7.—We are pleased to note that the finances have averaged better this year than formerly. This, notwithstanding the shortage of crops and curtailment of business in many places, is encouraging. However, we have not yet reached the point when we approximate the full apportionments, either for our local Synod or

for the United Lutheran Church. But let us hope this improvement will continue until that end is reached.

8.—A meeting of the Presidents of Conferences was held December 30, 1924, to consider chiefly the matter of putting on the canvass for the Orphan Home, at Salem, Va., at which meeting canvassers or managers were selected for the several Conferences, as above noted.

9.—It will be the duty of this body to elect delegates to the next Bi-ennial Convention of the United Lutheran Church and to the United Synod in the South, which will be held in Richmond, Va., in 1926.

10.—The transfer of the congregations of the Virginia Conference, which was authorized by this Synod at its last convention, has been made, and the President of the Lutheran Synod of Virginia has officially informed your President that they have been most cordially received into that Synod. Accompanying the transfer of the congregations, a transfer of the ministers of that Conference was also given, at their own request, and they have likewise been received into that Synod.

11.—It will be noted that we have a number of vacant pastorates at this time. However, two of them do not become effective until November the first, and two others will not become effective before the end of this calendar year. Up till the time the students from the Seminary returned to school this fall, all of our vacant congregations were supplied with services, either by the students or by neighboring pastors. But since that time, a few places are without regular Sunday services. Earnest effort has been made to secure pastors for these vacancies, and some of them have calls out at this time which it is hoped will be accepted. But, the best we can hope to do, will be to fill one vacancy by creating another.

12.—The following changes in committees were made during the year, for which we ask your approval: 1. Rev. L. A. Thomas was made chairman of the Summer School Committee in place of Rev. F. C. Longaker, Ph.D., who resigned from that position. 2. Rev. P. D. Risinger was appointed chairman of the Nominating Committee in place of Rev. Enoch Hite who has moved out of our Synod. 3. Hon. E. W. G. Huffman has been appointed chairman of the Committee on Stewardship and Benevolence in place of Hon. B. B. Miller who resigned from that position.

13.—I desire to state that in making the investigation of the situation at Statesville last year, the Church Council there acted according to my advice and under my directions in looking into the troubles there before the resignation of the Pastor and also in giv-

ing information to and assisting the Committee which I appointed to investigate the matter, and they are hereby commended for their cooperation in this particular. An effort has been made, however, to adjust the matter prior to this meeting of Synod, which we trust will meet the approval of all concerned.

XIV. *Conclusion.*

And now thanking the brethren for their kind and courteous cooperation in the work of the Synod throughout the year, which has been a great help to me in my efforts to serve you, and praying the guidance of the Holy Spirit in the work of this convention, and God's richest blessings upon the Synod as a whole, this report is most respectfully submitted.

J. L. MORGAN, President.

The Report of the Committee on President's Report was received for consideration by item. Recommendation 1 was adopted. Recommendation 2—(a), (b), (c), and (d) were adopted in turn. The Report was adopted as a whole.

Report of Committee on President's Report

We, your committee on President's Report respectfully report that we have carefully examined the report, and note the following items of the report:

1st. That the President of Synod calls our attention to the preservation of the lives of two of our ministers, the Rev. L. A. Bickle, D.D., and the Rev. G. H. Cox, D.D., as among the ablest of the ministers of our Church, a fact for which this Synod is grateful to God.

2nd. That the report shows fourteen registrations of pastors during the year; fifteen dismissals, twelve calls accepted; two applications for membership by ordination, viz.: Messrs. E. R. Lineberger and Q. O. Lyerly, and two by transfer; fifteen installations of pastors and the installation of four professors of Lenoir-Rhyne College, that nine vacancies exist, that supply work was done by nine of our ministers and six of our theological students.

3rd. That the President officiated at two cornerstone layings, five dedication services.

4th. That changes have been made, or are in the process of making, or about to begin, in the improvement or building anew of fifteen of our churches.

5th. That our three conferences, the Eastern, Southern and Western have functioned in a helpful way, especially as to our Sunday school work.

6th. That under the head of miscellaneous he presents thirteen items. As to these your committee would recommend that items 1, 2, 3, 4, 6, 7, 8, 10, 11 and 13 be received as information. As to items 5, 9 and 12, that action be taken by this Synod. (a) As to item 5 the Synod pledge its utmost effort in the raising of the \$300,000.00 for the Southern Seminary. (b) As to item 9 that delegates be elected at this meeting of Synod to the next Bi-ennial convention of the United Synod in the South and of the United Lutheran Church in America, at Richmond, Va. (c) As to item 12, that the action of the President be approved. (d) We recommend that the applications for membership by ordination and by transfer be referred to the committee of examinations.

Your committee is pleased to note the faithfulness of the President in the discharge of his official duties in every detail of the arduous task.

Respectfully submitted,
W. A. DEATON,
C. A. LINN,
JOHN L. YOST,
D. E. SIGMON,
L. M. SWINK.

Oct. 12, 1925.

The Report of the Auditor was received and adopted.

Report of Auditing Committee

Your committee has examined the accounts of Jas. D. Heilig, treasurer, and find the books neatly and accurately kept. The disbursements which appear in this report are supported by proper vouchers, and receipts as appear in his report are supported by itemized statements in his cash book. By itemized statements, we mean an account kept with each congregation separately. This account shows as a debit the amount of the proportionate amount of the pledge as the case may be, and then follows the different amounts with the date when received. The bank balance corresponds with the net balance appearing in his report.

In making audit of the treasurer's account, we find that, pursuant to the resolutions of Synod, the books of the treasurer closed for the fiscal year as of October 1, 1925. As a matter of fact receipts up to and including October 6th were accounted for in his report. We found that since the books were closed as of October 1st the treasurer received from the different congregations on the pledges or apportionments for the third quarter \$1,750.00 which does not appear and could not appear in his report,—one of these items being for \$400—another item of \$480.00—also a great many smaller items making approximately the total mentioned.

This, the 9th day of November, 1925.

Respectfully submitted,

LOUIS M. SWINK, Chm.,

J. A. KELLENBERGER,

REV. E. J. SOX, D.D.

The Secretary's Report was received and adopted.

By motion the Secretary was instructed to send copies of the Minutes of Synod to The State Historical Society at Raleigh, The Library of the University of North Carolina, and to all Grade A Colleges in the State.

Report of Secretary

Four hundred copies of the Bulletin, and four thousand, five hundred copies of the Minutes of Synod for 1924 were printed by the Farrell Printing Co., Columbia, S. C. The cost of printing, mailing, etc., was \$967.98.

The contract for printing the Bulletin and Minutes of this Convention of Synod was let to this same company, theirs being the lowest bid, for 400 copies of the Bulletin and 4,000 copies of the Minutes.

After Minutes are distributed to the congregations of Synod, and to the various Boards and Committees of the U. L. C., there are always a number of copies left over. I recommend that these extra copies of the Minutes be kept in the Archives of Synod.

J. C. DIETZ, Secretary.

The Report of the Statistical Secretary was received and adopted.

Report of Statistical Secretary

Blank parochial reports in sufficient quantities were mailed to each pastor, with the request that one be used for each congregation, and be returned by Oct. 1st. These blanks went out about Aug. 15th, and to student supply pastors the 1st of Aug., that a report be sent in before they vacated the field. All did not comply with the request. There has been much dilatoriness on the part of some of the pastors, in not getting reports in promptly, and—until now, this session of Synod some reports are not in. On account of this condition it is quite impossible to get up a clear and well digested report, giving percentages and comparisons which inform. If reports came in promptly by Oct. 1st much could be done in collecting and arranging figures, so there would be shown at a glance what is being done.

The lack of the study of our parochial reports deserves and almost demands the criticism of this body. Not enough stress, it seems, is laid upon some essential features of our faith, and if there is enough, there is not enough follow up effort, and, until this is changed, we are going to be systematically falling behind and accomplishing little. I have reference to baptisms, confirmations and raising our full apportionment. Transferring the entire membership of Synod which lay in Virginia to the Virginia Synod leaves this body composed of three conferences, which are made up of 82 pastorates, 160 congregations and divers kinds of activity. The few congregations raising their apportionment are to be commended for setting such an example of consecration and loyalty.

The colors have been advanced to the forefront, let the army come up.

Respectfully submitted,

E. H. KOHN.

The Report of the Committee on Missions was taken up for consideration by item. A—was adopted; B—was received as information; D—1, 2, 3, 4, 5, were adopted in turn.

The report was adopted as a whole.

Report of the Mission Committee

Your Committee on Missions respectfully submits its report for the year ending October 1, 1925, as follows:

A.—*Meetings.*

Two regular meetings of the committee were held during the year. The first one was at Salisbury, April 8, 1925, at which time applications from missions for financial aid were considered, and appropriations granted, according to the schedule given in this report. Rev. A. D. R. Hancher, the Superintendent of Home Missions, was at this meeting and advised with the committee in its business transactions, and in a consideration of the outlook for future developments of the field. The second meeting was held at Maiden, October 6, 1925. The chief business of this meeting was to review the work of the entire year, in the several missions, and to prepare a report on the same to this Synod. With a hope of encouraging our missionary pastors and their mission congregations in their work, your committee has kept in close touch with all the work throughout the year, through correspondence and by personal visitation by the chairman of your committee. The pastors of our missions have done splendid work, and encouraging progress has marked their faithful services for the year. However, a number of our missions are handicapped because of a lack of funds with which to secure church property, or to pay off the indebtedness on properties which they hold. Mission congregations, almost without exception, are liberal in the support of their work, and if the church at large would come to their rescue at the beginning of their work, and make it possible for them to secure church homes of their own, it would hasten very much the time when such missions would become able to support their own pastors, and in that way save the Mission Board of a great deal of outlay on salaries of missionaries. It is the hope of your committee, therefore, and it is so indicated in a resolution accompanying this report, that due consideration will be given to the matter of providing churches for the missions now on our list, where such are needed.

B.—*Missions.*

1.—Asheville:—Mr. E. R. Lineberger, who graduated from the Southern Seminary last spring, took charge of this mission as regular pastor, June 1, 1925. Services are held in the Y. M. C. A. rooms. The outlook for a growing congregation here is very promising, provided we will assist the congregation to secure a

church home of its own. Pastor Lineberger holds services one Sunday in each month at Andrew's. This mission has been made the "special" of the Women's Missionary Society of the North Carolina Synod, to which their gifts for synodical home missions will be contributed to help build the church at that point.

2.—Bessemer:—The congregation at Bessemer City and the mission in Shelby have been constituted a mission pastorate, and Rev. N. D. Yount, who had been western field missionary, was called to this work June 1, 1925. Since that time the Bessemer congregation has purchased a lot for a new parsonage at a cost of \$450, and plans soon to erect a house on it for that purpose. The congregation in Shelby is still holding services in the public school building, but feels very much the need for a church in which to worship, but is unable of itself to put one up which would serve the needs of that place.

3.—Burke:—Rev. W. A. Craun has rendered faithful services in this field, but he has been handicapped in his efforts in the Morganton congregation, because of inadequate equipment. A better church is greatly needed at this point. The work at Hildebran is developing nicely and promises soon to become one of our leading congregations.

4.—Charlotte:—Holy Trinity congregation in Charlotte has built a new parsonage on their lot adjoining the church, at a cost of approximately \$9,000. The building was financed on a loan basis, and hence calls for persevering efforts on the part of the membership of the mission to meet the payments as they come due. However, with Rev. R. T. Troutman as faithful pastor, the future of the congregation is very hopeful.

5.—Durham:—About a year ago the mission at Durham purchased a lot on Trinity Avenue, 50 x 160 feet, without any improvements, at the price of \$3,000. They recently sold that lot at a profit of \$1,000, and purchased another lot, 100 x 200 feet, with two dwellings on it, on University Avenue, for which they paid \$20,000. The houses bring good rent to the congregation. This is one of our most energetic missions in the Synod, but needs help in its effort to place a house of worship on its lot, so ideally located. Along with his work in Durham, Pastor Thornburg is looking after the interests of our Lutheran people at the State University also. Here also a place of worship for our Lutheran people is greatly needed. The students themselves would do a good part in helping to pay for a property there and its upkeep, if a lot were secured and a student house placed on it.

6.—Forsyth:—Rev. W. C. Buck resigned this work May 1, 1925, whereupon Student C. E. Lutz was secured to supply the congre-

gations during vacation period. There is a splendid opening for our Church in this field to do a good work, if only the congregations will pay a salary sufficient to keep a good man there for whole time service.

7.—Granite Falls:—Rev. J. J. Bickley gave up this work June 1, 1925, at which time Student W. J. Moretz took charge as supply for the summer months. A call has been extended to another man to become regular pastor, but we have not yet learned to what success.

8.—Hendersonville:—The main auditorium of the new church at Hendersonville has been completed and Rev. J. D. Mauney and his congregation are delighted in the use of it. The building shows up splendidly in that growing city, and is quite a credit to Pastor Mauney and the generous family who helped to make it possible. The Sunday School basement will not be ready for use for some time to come.

9.—Lebanon:—For the greater part of the year, this work has been taken care of by Rev. W. G. Cobb, pastor of Salem Church, and by Rev. John L. Morgan, pastor at Troutman. Student H. C. Castor supplied these congregations during the vacation period this summer. An all time pastor on the field is the need of these congregations, and an effort is being made to that end at this time.

10.—Lenoir:—This work is showing splendid developments, and bids fair soon to become one of our leading congregations. Mt. Zion congregation, which belonged to this pastorate and which had only three or four members anymore, has been merged, with its property holdings, into the church in the city. Along with his work in the city, Pastor Risinger has been invited to supply a congregation formerly of the Ohio Synod, located about five miles from Lenoir, which congregation makes application at this convention for reception into our Synod.

11.—Monroe:—Rev. J. E. Stockman seems to be doing good work at this place. However, being somewhat removed from Lutheran centers, it will require time and patient effort here before a large congregation can be hoped for. But with the growth of the city, which is very marked of recent years, we may hope for continued developments of our work at this place.

12.—Raleigh:—This congregation recently installed a new pipe organ at a cost of \$3,500. The organ was dedicated September 27, 1925, at which service a cash offering of \$1,500 was made as a first payment on the instrument. Sometime previous to this, a piano was purchased for the Sunday School, at a cost of \$500. Improvements have been made on the church and parsonage amounting to about \$600. Pastor McCauley is enjoying splendid

cooperation in his work in this congregation, so noteworthy for its liberality in the support of the church.

13.—Randolph:—The outlook for growth in this parish is encouraging. Under Pastor Barringer's leadership, the tower to Melancthon Church has been completed, and the church repainted, which adds very much to the attractiveness of the building. A better church is needed at Richland in order to take care of the growing Sunday School and congregations at that place. But the greatest need for this pastorate now is a parsonage for the pastor, which it is hoped will be provided by the congregations soon.

14.—Statesville:—This congregation has paid off its note to the Mission Board, and with the exception of about \$1,400 is free of all indebtedness on its property. Dr. J. D. Kinard is doing excellent work at this place, and the developments of the congregation have been very noticeable. This is a field of large possibilities.

15.—Thomasville:—This congregation has enjoyed a valuable increase in membership this year, as a result of the dissolution of Emmanuel Lutheran congregation in the country near Thomasville, and whose members were transferred to the neighboring Lutheran congregations. The Emmanuel's congregation had held property jointly with a Reformed Church, to which it sold its interests. Pastor Bodie is systematically working on the reduction of the debt on their church.

16.—Watauga:—On May 1, 1925, the proposed division of the congregations in this vicinity into two separate pastorate became effective. Rev. H. W. Jeffcoat assumed charge of the mission part of the work, which consists of the missions at Boone, Blowing Rock, Banner Elk and Holy Communion. Dr. W. A. Deaton accepted a call to the self sustaining part of the field, consisting of Mt. Pleasant, Old Mt. Pleasant, Mt. Zion and Holy Trinity congregations. Settlement has been made for the lot in Boone which was taken over by the public schools of that county, and a new lot has been purchased instead, at a cost of \$2,000. One of the members of the mission at Blowing Rock has agreed to give a lot there for a church, and some material has been donated and part of it assembled for a church there. Student J. D. Sheppard supplied this mission during vacation period with splendid success. A chapel is needed at Banner Elk and a better church at Holy Communion also. It should be kept in mind that this mission is supported by the Women of the United Lutheran Church, who provide also for the support of the parish helper, Miss Cora Jeffcoat, in this work.

17.—Eastern Field Missions:—The new parsonage-chapel at Rocky Mount has been completed, and was opened for service on May 10, 1925. The services were in charge of Pastor S. White Rhyme. The President of Synod preached the opening sermon in the morning, and Dr. E. R. McCauley preached at night. A reception service was given in the afternoon when greetings were presented by the mayor of the city, a representative of the city ministerial association, a representative of the local community, representatives from St. Paul's Lutheran Church in Wilmington, including Mr. J. H. Rehder of the Home Mission Board, by Miss Eva Peeler of the State Luther League, and by a representative from Synod. The chapel was filled to its capacity at all these services. The lot, parsonage-chapel, garage and equipments all cost approximately \$26,000. The mission owes \$10,000, which it is carrying in notes, on the property. The success of this mission up to this time has been most gratifying, and the outlook for future growth is promising.

18.—Western Field Missions:—Upon placing a regular pastor at Asheville, and by placing the congregation at Shelby in a charge with the church at Bessemer City, the office of western field missions became vacant for the time being. The work which had been started in that field, however, is being all cared for very satisfactorily, thus far. It is the intention of the committee to place another man in this field as soon as we get the work we now have in shape to move forward.

19.—Good Hope:—Student C. K. Wise is still looking after this mission which has enjoyed splendid growth from its beginning. The mission is regularly meeting its obligation to pay off \$1,500 on the cost of the new building, but other funds are needed to take care of the \$3,000 which is being carried at the bank. The Executive Committee of Synod at its last meeting, voted an appropriation of \$1,000 for this purpose. This will help very much, but is not enough to take care of the obligations. Mr. Wise, at the request of your committee and approved by Superintendent Hancher, organized a mission congregation at Brookford this summer, along with his work at Good Hope.

20.—Belmont:—Student E. F. Troutman did supply work at Belmont and surrounding textile communities this summer, under the direction of Pastor E. H. Kohn who has charge of the work at Belmont. There seems to be a large field in this vicinity for developments, if the men and money can be had with which to do it.

21.—Stony Point:—This congregation is not listed by the Mission Board, but is being cared for by Rev. M. L. Pence, pastor

of the Alexander Pastorate, without appropriations from the Board. It is but proper and right, however, that it should be given assistance in an effort to secure a house of worship, when ready to build, which ought to be done soon. In this connection, we desire to call attention to the need for a congregation to be organized and a church to be built in the town of Taylorsville without delay. Pastor Pence would give the pastoral services necessary for this work, if necessary financial help could be secured to make the undertaking a success. This is a promising field for our work.

D.—*Recommendations.*

1.—That we hereby express our appreciations for the cooperation which the Women's Missionary Society of North Carolina offers in making the mission at Andrews its "special" for synodical home mission work, in the hope of securing a church at that place, in our Synod, and for the help given by the Luther League of Synod in the work at Rocky Mount, N. C.

2.—That inasmuch as the Women's Missionary Society of the United Lutheran Church has been aiding the work in the Watauga Mission, and has made an appropriation for the building of churches at Boone and at Bailey's Camp, Blowing Rock, N. C., we hereby express our thanks to them for their valued assistance in this work.

3.—That we hereby record our appreciations for the courtesies of Superintendent Hancher in his cooperation with us in our mission work, and that our thanks be given the Home Mission Board for its aid in our Synod.

4.—That forasmuch as promising congregations have been organized at Asheville, Andrews, Shelby, Durham, Boone, Bailey's Camp, and Stony Point, but which are unable to go forward in their developments without handicap, because of the lack of houses of worship, the energies and agencies of the Synod be specially directed in efforts to help such missions to secure houses of worship as soon as possible.

5.—That Synod undertake to secure a lot and house of worship for our Lutheran people at the State University as soon as possible, and that a special committee be appointed by Synod to cooperate with the Mission Committee in an effort to carry this resolution into effect, and that this committee be privileged to solicit contributions from the constituency of this Synod or other friends of the cause for this purpose.

Also, that the Board of Education of the United Lutheran Church be requested to cooperate with us in this undertaking.

Respectfully submitted,

J. L. MORGAN, Chairman.

The Report of the Necrologist was received and adopted.

Report of Necrologist

Time in its ceaseless course has brought us to the close of another synodical year. Its time, whether well spent or wasted: its joys and its sorrows, its toils and its labors, its successes and its failures, have all become subjects of positive history. During the year our heavenly Father has abundantly blessed us, both temporally and spiritually; and, through His loving providence, the reaper, Death, has not been allowed to invade our ministerial ranks. Let us lift up our hearts to God in devout thankfulness, and enter upon the work of the coming year with renewed faith and zeal, laboring while it is day, knowing that "The night cometh when no man can labor"; and knowing not who of us will be the next to be called to enter into that night.

Respectfully submitted,

GEO. H. COX, Necrologist.

The Report of the Committee on Boy's Work was received for consideration, and was adopted.

Report of Committee on Boy's Work

We, your Committee on Boy's Work, beg to submit the following report:

No specific and definite work was accomplished by your committee during the year. The committee had under consideration a Summer Conference and Camp for Boys at Lenoir-Rhyne College but complications arose that would not allow their plans to materialize.

Believing yet that this work is worthy we offer the following recommendation:

That the Boy's Work Committee be advised to conduct a Boy's Conference and Camp at Lenoir-Rhyne College during the coming year.

The Report of the Committee on Young People's Work was received and adopted. Student Hugh Rhyne, official representative of the State Luther League, brought the greetings of that organization to the Synod.

Report of Committee on Young People's Work

We, your committee on Young People's Work, beg leave to report that the work of the Young People, as represented in the Luther League, is on a sound basis and that commendable progress is being made each year. The League is well manned by an able corps of officers and there seems to be no dearth of those having the gifts of leadership. The spirit of the organization is that of earnestness and sincerity, devotion and zeal.

The following facts have been gathered from the Minutes of the Fifth Annual Convention of the Luther League of the United Lutheran Synod of North Carolina, held in St. Matthew's Lutheran Church, Kings Mountain, N. C., Rev. A. M. Huffman, Pastor, August 26, 27, 28, 1925:

Total number of Leagues 103. This is a net gain of 3 over last year. Total membership, 2,195. Local expenses, \$1,895.15. Contributed to State League, \$4,034.36. This gives a complete sum of \$5,929.51.

The Budget adopted for the ensuing year totals \$4,000. It is divided as follows: Rocky Mount Mission, \$1,500; Andhra Christian College, \$1,000; Endowment Fund Southern Seminary, \$550; Current Expenses, \$900; Summer School, \$50.

For the sake of convenience and to promote interest in the District Conventions, two of which are held annually in each District, the League has been re-districted into five Districts instead of three as formerly, to be known as Eastern, Central, Southern, South-western and Western.

An "Efficiency Standard" is maintained in which 65 Leagues expressed an interest during the past year. 41 Leagues conducted Mission Study Classes, of these, 6 studied two or more books.

A Department of Luther League Work was maintained at Summer School for Church Workers, Lenoir-Rhyne College, August 19-26, consisting of Study Classes and Conferences on Practical Plans in the Local League. The Social features of the Summer School are always in charge of the Luther League.

A Student Secretary is employed to visit periodically the Church and State Educational Institutions in the interest of the Ministry and the Diaconate.

A Field Secretary, Seminary Student, is employed during the Summer months to conduct inspirational meetings in the established Leagues, and to encourage the organization of new ones. During the past Summer, the Field Secretary, Mr. Jeff L. Norris, held 90 such meetings and was instrumental in effecting the organization of 6 new Leagues.

Life Service Day is observed annually, usually about Christmas, with special program and the signing of Life Service Cards which in turn, are forwarded to the National Life Service Secretary.

In the aggregate, as for example in the Annual Convention, and from a survey of the various phases of Luther League work, the impression is gained that the type of work that is being done augurs well for the future leadership of the Church. In the local congregation, emphasis may perhaps be placed in two directions: Extension work until every church has a League; and every league in every church exercises greater care in the preparation of the Weekly Devotional Meetings.

The present officers of the State League are as follows: President, Curtis K. Wise; Vice-President, Jeff L. Norris; Recording Secretary, Miss Gladys Morgan; Statistical Secretary, Miss Wilkie Patterson; Treasurer, Miss Rosa Sox; Mission Study Secretary, Miss Grace Rhyne; Life Service Secretary, E. Ray Trexler; Student Secretary, Hugh J. Rhyne; Intermediate Secretary, Miss Christine Sigmond.

The Report of the Committee on Summer School was received and adopted.

By motion Synod assumed the responsibility of financing the Summer School as of last year.

Report of Committee on Summer School for Church Workers

As the President's report shows the chairmanship of this committee was changed during the year at the instance of resignation of the chairman appointed at the last meeting of Synod, which fact necessarily disorganized the work of the whole committee. The School was conducted later this year than formerly, caused by the double session of the State Summer School being held in the College. The date was August 19-26. Courses were offered in all phases of church work, which were in charge of the very best leaders that could be secured. The faculty has been spoken of in the very highest terms for their conscientious work, their efficiency in their line, and for their comprehensive knowledge of the work of the Church in general.

A larger enrollment is noted for this year over against that for last year, 376 against 213. A cause for this increase is probably accounted for by the fact that last year a registration fee was collected, while this year the various Sunday schools of the Synod were apportioned. 44 Pastors of the Synod were present; 5 supply pastors and 8 visiting ministers. We call attention to the fact that 85 churches were represented this year against 63 of last year. Certificates were awarded to 71 who met prescribed requirements. We most heartily commend this school to all Pastors and all church workers as an efficient agent for the increasing of the total equipment of the Church in general. The committee feels that a large part of the advertising and the increasing of the enrollment must rest with the pastors. The committee desires to make special mention of the hearty cooperation of the Luther League and their persistent efforts to bring a large number of the young people of the state to the school.

Your committee recommends that Synod provide a way by which the school shall be financed for another year.

The report of the Treasurer, Rev. G. H. C. Park, is attached as a part of the complete report.

The Report of the Committee on Ministerial Education was received and adopted. A prayer of thanksgiving led by Rev. V. C. Ridenhour was offered to Almighty God for the wonderful manner in which He had answered the prayers of His people for more laborers for the fields white unto the harvest.

Report of Committee on Ministerial Education

Your Committee on Ministerial Education met in Salisbury, N. C., September 26, 1925, and examined Messrs. J. A. Seaboch, A. L. Hahn, B. K. Baker, G. L. Barger, and R. K. Lippard, as applicants for aid in preparing themselves for the Gospel Ministry. An application from Mr. J. F. Davis, who is in the Southern Seminary, was also considered. The young men having all commended themselves favorably to the committee, it was recommended that their names be placed on the list for aid. The full list of students whom the Synod is aiding this year is as follows: W. C. Boliek, B. D. Castor, H. J. Rhyne, E. F. Troutman, C. K. Wise, L. E. Blackwelder, H. C. Castor, C. E. Lutz, J. L. Swink and wife are supporting W. B. Cruse, and the church at Albemarle is aiding J. D. Sheppard, while the Brotherhood of Gaston County has been furnishing the aid for C. K. Wise. The amount granted per student by Synod this year for Seminary work is \$200, and for College and Institute work \$150. The total amount appropriated for this year up to this time is \$4,250. There are others who have the ministry under consideration, but have not definitely announced their decision yet. The indications for a more adequate supply of ministers for our Synod are very encouraging. If our pastors will keep this all important matter before the minds of their young people, we believe it will not be long before a much larger number of young men and young women will be offering themselves for service.

The Report of the Committee on State of the Church was received for consideration by item.

Recommendation 1 was adopted, and the Committee on State of the Church was designated as the committee to secure said blanks.

Recommendations 2, 3, and 4 were adopted in turn.

The Report was adopted as a whole.

Report of Committee on State of the Church

This report is based on the approximately 125 reports received. Our conclusions and recommendations are as follows:

I. *Spiritual State.*

1.—Under the item, "Christian piety," most of the pastors reported "good", a number "fair", and a great many "excellent".

2.—A great majority reported "fine" attendance for all morning services, but "poor" attendance at the evening services.

3.—The sacraments are properly observed in all the churches, although only about 60% of the membership of the church avail themselves of the opportunity of receiving the sacrament of Holy Communion.

4.—Catechization is held in every congregation, usually between Advent and Easter. With few exceptions the results are good. Some of the pastors reported a lack of interest on the part of the parents, and poor results, due to poor preparation of assigned lessons. The number of congregations having vacation Bible schools is on the increase, with most gratifying results.

5.—All pastors reported that only Lutheran Sunday School literature is used. The number using the graded system is on the increase, and some are holding back in this particular until a more uniform graded system is published. Dr. Cronk's S. S. Hymnal is the most widely used hymnal for Sunday School. Attendance is on the increase. Almost all reported offerings for the Orphan Home at Salem, Va. An increasing number contributed to the Lowman Home at White Rock, S. C., and some reported special offerings for the Southern Theological Seminary, Columbia, S. C.

6.—Evangelistic efforts on the part of the various organizations of the Church are on the increase with gratifying results. Some deplored the fact that very few individual members show an interest in personal evangelism. In the great majority of cases the Lenten and Easter season is time when special services and efforts are stressed along this line.

7.—Only a few reports indicated that laymen ever conduct public worship. In "family" devotions there is a waning interest apparently.

8.—Brotherhood work is growing both in the number of organizations and interest. Fine results are reported almost without exception in churches where Brotherhoods are organized. Training leaders, helping the local churches to secure better physical equipment, and state-wide interest in home missions seem to predominate at present among the Brotherhoods.

9.—A total of thirty-five churches reporting do not have a Woman's Missionary Society. The reports indicate that while the societies are composed of the representative women of the congregations, there should be a greater number affiliated with this, the most truly missionary organization of the congregation. They are doing a most excellent work in their field of activity.

10.—Three-fourths of the churches reporting have Luther Leagues, and all are doing fine work in training leaders, mission work, and interesting young people generally in Church work.

11.—Work among the children seems to be on the increase, judging from the reports, although only two-thirds of the churches have Light Brigade organizations. There is room for much improvement in the number of organizations, but the results are very satisfactory where they exist. They are usually conducted by superintendents appointed by the Women's Society.

II. *Material State.*

1.—Judging from the last year's report on the State of the Church and the reports sent in this year, the pastors' salaries are on the increase. Approximately \$1,725.00 per year is the average salary paid to ministers not receiving assistance from the Mission Board. All are paid promptly with few exceptions.

2.—The church buildings and parsonages are well cared for almost without exception. Apparently more improvements both in church edifices and Sunday school buildings have been made during the past year than in any previous year in the Church's history in this State. Roads are being improved everywhere.

3.—The churches are putting forth a greater effort to pay their entire apportionment for all causes, although at present comparatively few meet their apportionment in full for Synodical and the United Church purposes. All the churches reporting made the every-member canvass last year, with gratifying results. In most cases the duplex envelopes are used.

4.—Responses to general appeals have been unusually good this year. Most of the churches, while making extensive improvements at home, are responding generously to all general appeals.

5.—Judging from reports there has been a slight decrease in interest in some of our educational institutions, both financially and morally. In some cases, however, it is on the increase, as reported.

6.—Reports indicated that our folks are taking a greater interest in Lutheran literature, but there should be more of our members who subscribe to both the *Lutheran* and the *N. C. Lutheran*. Some of the pastors admitted that these matters are perhaps not duly emphasized.

III. *Recommendations.*

1.—That Synod make an effort to secure a more specific and a briefer blank on the State of the Church.

2.—That Synod urge all pastors to fill out the blanks promptly and return them.

3.—That these blanks be sent and filled out in conjunction with the Parochial reports, and that they supplement each other, as far as possible.

4.—That all phases of Church work indicated by the report on the State of the Church be properly emphasized in all congregations.

Respectfully submitted,

REV. R. M. CARPENTER,
REV. R. B. SIGMON,

The Report of the Committee on Lutheran Literature was received and adopted.

Report of Committee on Lutheran Literature

A veritable flood of religious literature is being poured forth by societies not under the control of church bodies. Committees, that owe no allegiance to any particular church, publish Bible studies, religious books, and cheap religious songs, and send them broadcast throughout the country. They appeal to many people because they are popular in thought and feeling and have no denominational stamp. In this way, some of the rankest teachings and the cheapest kind of religious songs and literature gets into the hands of societies, committees and Sunday schools, and the young people are educated away from what is distinctive in the Christian faith. This is given as a word of caution to our pastors and leading laymen and they should examine carefully all literature which comes into their churches. By helping our people get the good literature of our Church, we shall be able to keep out much of that which is spurious. We shall endeavor to state briefly some of the things which our Church has been doing for the spread of religious literature.

A representative from our Publication House has been present at the meetings of Synod, Conferences, and School for Church Workers during the past year, and has had on display for sale, books and pamphlets which our people should have.

There were 21,697 confirmed members of our Synod in North Carolina last year, and these received 1,204 copies of *The Lutheran*, and 2,020 copies of *The North Carolina Lutheran*.

The report of last year shows that the Brotherhood of the Synod had a membership of 1030. 235 copies of the *Brotherhood Messenger* were sent to our State during the past year.

The Women's Missionary Society reports a membership of 3,221. They have 1,642 subscribers to the *Lutheran Woman's Work*.

According to the Minutes of the last annual meeting of the Lutheran League, they have a membership of 2,343. They have 356 subscribers to the *Luther League Review*.

139 Sunday schools of the Synod, with 21,343 scholars enrolled, received 1,800 copies of *Lutheran Boys and Girls* during the past year.

The Foreign Missionary is a splendid publication. It has a subscription list of 231 in this State.

By comparing the above figures it will be seen that *The North Carolina Lutheran* leads in the number of subscribers. *Lutheran Woman's Work* comes second and has 438 more subscribers than *The Lutheran*. Efforts are being put forth to increase the subscription lists for our church papers. The honest efforts of the leading workers in our congregations will add an appreciable increase in this work.

The Report of the Committee on Church Architecture was received and adopted.

Report of Committee on Church Architecture

Your Committee on Church Architecture begs leave to report as follows: A number of times during the year have Pastors solicited information as to what might constitute the Lutheran conception and its expression in the style and appointments of church buildings. The subject is very important, since a church erected without reference to the religious worship and the appropriate accessories within is sure to call for dissatisfaction and alteration some time in the future. Interesting information along these lines has been prepared by the Committee on Church Architecture of the United Lutheran Church.

The following publications of that Committee may be helpful:

"Practical Suggestions for Pastors and Building Committees,"

"Questionnaire for Use in the Selection of an Architect,"
"Church Principles in Church Architecture,"

The board of directors also elected an executive committee consisting of the following named persons:

W. L. Mauney F. S. Habenicht

No proposition has come before the directors in the year 1925 for an assembly ground. Action upon the proposition of the Wachovia Bank & Trust Company, executor and trustee of J. Cicero Tise, deceased, relative to the Vade Mecum Springs property in the Sauratown Mountains, of Northwest North Carolina, was deferred by Synod at its last meeting and nothing further has been done relative thereto by the assembly grounds corporation.

Rev. J. M. Senter, D.D., fraternal delegate from the South Carolina Synod, brought the greetings of that body with many happy remarks.

The Report of the Committee on Sunday School Work was received for consideration by item.

Recommendation 1 was amended by adding a section to Article VII, as follows:

"SEC. 1. This Association shall hold at least one meeting each year which shall be known as the annual meeting." The other sections of this Article to be numbered 2 and 3 respectively.

The following was passed as a substitute for recommendations 2, 3, and 4: "That the Executive Committee be given authority to employ a full time secretary whose chief duties shall be to assist in promoting the Sunday Schools, Luther Leagues, and Brotherhoods, in their work, but whose full duties and compensation shall be fixed by the aforesaid committee."

By motion Prof. S. J. Marion was given the privileges of the floor on this matter.

Recommendation 5 was adopted.

The Report was adopted as a whole.

Report of Committee on Sunday School Work

We, your committee on Sunday School Work, wish to report the following:

I. Information.

By means of a questionnaire mailed to all the Sunday Schools of Synod we have secured the following:

- 165 questionnaires were mailed out and 84 or 51% were filled out and returned.
- 2 churches reported no Sunday Schools.
- 14,902 was the enrollment of the 84 Sunday Schools reporting.
- 9,626 was the average attendance for the year.
- 1,778 was the increase in membership for the year.
- 16 schools had teacher training classes.
- 25 schools had week day or Vacation Bible Schools with an enrollment of 1,926.
- 50 schools had representatives at the Summer School for Church Workers.
- 44 schools cooperated with the State Sunday School Association.

Three meetings of your committee were held, April 20th, and June 25th in Salisbury, N. C., and during the meeting of Synod.

Recommendations.

1. That Synod approve the organization of the Lutheran Sunday School Association of North Carolina.
2. That steps be taken immediately to secure a Sunday School Field Secretary.
3. That the duty of securing this secretary be placed jointly in the hands of the Executive Committee of Synod and the Executive Committee of the Sunday School Association.
4. That these two said Executive Committees be empowered to fix his salary, to apportion this sum among the various Sunday Schools and congregations of Synod, and to specify his duties.
5. Inasmuch as the Sunday Schools of Synod are defraying the expenses of the Summer School for Church Workers, and inasmuch as the Sunday School Association is a part of this Summer School for Church Workers, that this Sunday School Association have representation on the committee for Summer School for Church Workers.

Organization of the Lutheran Sunday School Association of North Carolina

At the first meeting of your Committee, a special committee consisting of three members, *viz.*, Prof. S. J. Marion, Rev. R. M. Carpenter and Mr. O. B. Carpenter, was appointed, to prepare a proposed constitution for the organization of a Lutheran State Sunday School Association, as provided by Synod at its last regular meeting. At the second meeting of your committee this constitution was presented by the chairman of the special committee, Prof. S. J. Marion. It was carefully considered and amended by the whole committee and thus made ready for presentation to the organization meeting, same to be held during the Summer School for Church Workers. Your committee notified all Sunday Schools in Synod of this organization meeting and asked them to elect delegates for same.

During the Summer School, the organization meeting was held August 24, at St. Andrew's Lutheran Church, Hickory, N. C. Upon roll call it was found that sixty (60) Sunday Schools were represented by duly elected delegates or alternates. The proposed constitution was adopted with minor changes and the following officers were elected:

President, Prof. S. J. Marion; Vice-President, Prof. J. B. Hinson; Secretary, Miss Rosa Sox; Treasurer, Miss Mabel Lippard.

The Constitution adopted by the Association thus formed follows:

By motion Synod accepted an invitation from the Lenoir-Rhyne College authorities and congregations of this community to a picnic dinner on the campus of the College on Thursday. The invitation was brought by Dr. P. E. Monroe.

The Synod adjourned with benediction by Dr. E. Fulenwider.

Tuesday, November 10, 7:30 P.M.

The evening was given over to hearing addresses by the delegated representatives of the General Boards of the United Lutheran Church. Rev. E. F. Keever, D.D., conducted the devotions using the Vespers, and introduced the speakers.

Rev. C. P. Wiles, D.D., presented the educational interests of the U. L. C.

Rev. William Frees presented the Inner Mission and Deaconess Work.

Dr. E. G. Miller presented a number of causes, these being the work being done by the Luther League, by the Brotherhood, and by the Laymen's Movement. He stressed the need for a larger endowment for Ministerial Pensions and Relief, and presented the U. L. C.'s plan for raising \$5,000,000.00 for this purpose in 1927.

Wednesday, November 11, 8:45 A.M.

Rev. J. D. Kinard, D.D., conducted the devotional services.

The roll of pastors and delegates was called.

The Minutes were read, corrected, and approved.

Rev. A. D. R. Hancher, Rev. E. G. Miller, Rev. W. H. Greever, Supt. Hotinger were received as advisory members of Synod. By

motion all theological students of the Synod present were received as advisory members, and the presence of Messrs. Hugh J. Rhyne and C. K. Wise were noted.

The following resolution was offered by Hon. L. M. Swink, and passed by Synod: Whereas, today, seven years ago, at eleven o'clock A.M., firing in the Great World War, by command of the high officers of the Allied and Teutonic armies, ceased, and an armistice was entered into which resulted in the termination of the Great World War and a treaty of peace;

Now, therefore be it Resolved, That the regular business of Synod be suspended promptly at eleven o'clock today in memory of that great event in the history of the world, and that we commemorate the day with patriotic music and addresses from survivors of the Great World War present on the floor of this Synod.

Hon. L. M. Swink was called to the chair as Master of Ceremonies for this patriotic service. Appropriate addresses were made by Rev. E. F. Keever, D.D., Rev. S. W. Rhyne, Rev. Q. O. Lyerly, Rev. A. M. Huffman, and Rev. B. A. Barringer. The convention stood and saluted the flag displayed over the altar.

The Report of the Committee on Women's Work was received for consideration. Mrs. J. L. Morgan, President of the Women's Missionary Society of the North Carolina Synod, brought the greetings of that body to the Synod, and spoke in a most interesting way of the work and objectives of the women of the church.

The report was adopted.

Report of Committee on Women's Work

Your committee on Women's Work begs to report that two meetings of the executive committee of the women, as well as the annual convention, were attended and the observation is made that some discussion of all questions prevailed.

This auxiliary of the Synod is much concerned and interested in extending the Kingdom of Christ through the Church. The committee particularizes as follows:

First—The Home and Foreign Mission fields continue to engage the chief endeavors of the women because these fields are of first importance. Since the last convention of Synod, these fields have grown in extent and importance. Alaska has been entered and the Shantung Peninsula of China has been taken over from the Breklum Foreign Mission Society.

Second—The point within the Synod engaging the effort of the women is St. Andrew's, at Andrews, in Western North Carolina. The help given here will go far toward putting this congregation

into its own house of worship, and will give greater prominence to our Church in this part of the State.

Third—Under the guidance of faithful leaders, the Light Brigades are being developed into capable and loyal church workers of the future. This work is especially commended because of what the future holds. It is further stressed, that, not only Light Brigades be formed in every congregation, but, that there may be a quickening of the consciences of our people and larger results obtained, it is urged that such auxiliaries be formed within each congregation so as to increase and accentuate intelligent service.

Fourth—A letter from Mrs. J. A. Moretz, President of the Women's Educational League of the United Evangelical Lutheran Synod of North Carolina setting forth the organization and activities of this League during the past year under the sanction of Synod given at its last annual meeting.

The purposes of this League are praiseworthy and we believe that the League may become a strong auxiliary in promoting the welfare of our Educational institutions.

The League has made gratifying progress. We commend the foresight and splendid devotion of these good women and bid them God speed.

We recommend: (a) That our pastors and influential laymen give this promising movement their encouragement and cooperation, (b) That a local League be organized in all of our churches.

Fifth—The treasurer's report for nine months makes a fine showing:

Total amount raised by Women's Societies	\$12,217
Total amount raised by Light Brigades	2,582
Total	<u>\$14,799</u>

The active membership of the societies has grown to 3,221, and the Light Brigade to 3,434.

Sixth—This report would be incomplete were we to pass over without commendation on the excellent work done. We, therefore, commend the women for their unexcelled work and superb spirit.

There is also expressed gratification at the success already attained in developing a force of native workers and speakers, and venture to hope that each year will find more native and latent talent laid upon the altar of service of the Church, because the needs are great and always increasing.

Respectfully submitted,
E. H. KOHN,
C. L. T. FISHER,
L. D. PEELER.

Synod adjourned with prayer by Rev. J. S. Wessinger.

Wednesday, November 11, 2 P.M.

The devotional services were conducted by Rev. F. M. Speagle.

The Report of the Committee on Brotherhoods was received and adopted.

Report of Committee on Brotherhoods

In regard to the Brotherhood work in our Synod your committee notes with interest that the Brotherhood is alive and functioning.

Several district meetings were held in each of the districts, in which much interest and enthusiasm was manifest. A picnic was held in each district, at which interesting and instructive programs were rendered.

A brief survey of the work shows that the laymen of our Church are becoming more and more interested in the Master's Kingdom. Several new Brotherhoods have been organized.

The Brotherhood by its own action and in conference with the executive committee of Synod has become more closely identified with Synod as an Auxiliary of the Synod.

Respectfully submitted,

W. G. COBB,

M. L. KESTER,

H. E. ISENHOUR.

Synod entered upon the election of officers.

For Secretary:—Rev. J. C. Dietz.

For Statistical Secretary:—Rev. E. H. Kohn, Ph.D.

A motion was unanimously passed that the rules governing elections be suspended, and that the Secretary cast the ballot of Synod for the present incumbent as treasurer. The ballot was cast and James D. Heilig, Esq., was declared elected as Treasurer of Synod.

The Report of the Committee on Group Insurance was received and adopted.

Report of Committee on Group Insurance

We, your committee on insurance coverage for the ministers of the United Lutheran Synod of North Carolina, beg to submit the following:

That we have had conference with representatives of different Insurance Companies and after a thorough investigation of different contracts submitted we are of the opinion that the following wholesale coverage plan with Metropolitan Life Insurance Company of New York is a good proposition,

Which is as follows:

I. \$94,000.00—Wholesale rate on 94 lives would cost about \$129.97 per month or \$1,559.64 annually.

This includes to each minister \$1,000.00 at death by any cause. It also carries a total and permanent disability clause which means that should one become totally disabled he has a fixed monthly income over a period of 20 months \$52.35.

Any one who is located where we have the Metropolitan Nursing Service is also entitled to nursing care in case of sickness without charge.

II. We are advised by a representative of the company that the Metropolitan Life Insurance Company will submit an additional proposition on group insurance, and we also call attention to a proposition of the Prudential Insurance Company, copy of which is found in the hands of our secretary. Therefore, we recommend that this question of group insurance for the Synod, with the data herewith submitted, be referred to the executive committee for their further consideration, and with power to take such action as they deem proper in the matter.

Respectfully submitted,

C. B. MILLER,

J. C. DIETZ,

W. E. KUHN.

Part III. Theological Seminary. Dr. W. H. Greever presented the needs and work of the Seminary. Items 1, 2, and 3 were adopted in turn.

Items 1 and 2 relating to Collegiate Institute were adopted in turn.

Item relating to Mont Amoena Seminary was adopted.

The report was adopted as a whole.

Report of Committee on Church Institutions and Education

We, your committee on Church Institutions and Education, herewith submit the following report:

I.—*As to the report of the Lowman Home for the Aged and Helpless, we recommend:*

1. That the Sunday schools of the Synod give an annual offering to meet the urgent needs of this institution, and the President of Synod designate the month in which such offering shall be taken, and so notify the pastors and superintendents.
2. That we reaffirm our approval of the purpose and endeavor of the Board to secure necessary funds to erect the much needed dormitory and that we heartily commend the same to our people.

II.—*As to the report of the Lutheran Orphan Home of the South at Salem, Virginia, we recommend:*

1. That we record our gratitude for the success of the Building Fund Campaign; and rejoice that the new building program is well under way;
2. That this cause be kept before the people, and that they be commended for their generous response to its appeals and the promptness with which they have, and are still meeting their pledges.

III.—*As to the Lutheran Theological Southern Seminary, we recommend:*

1. That we urge upon every pastor and congregation the necessity of supporting orally, morally, and financially the appeal of the Board to raise the \$50,000 Building Fund and the \$250,000 Endowment Fund and to do all that is possible to make it a success.
2. That the debt of seven thousand dollars incurred because of necessary repairs on building and current expenses be referred to the executive committee with power to act.
3. That a definite time be set aside during the next Synodical year to be known as "Life Service Week", and that the date,

plans and execution of same be left in the hands of the Executive committee with power to act.

IV.—*As to the report of the President of the Board of Trustees for Educational Institutions, we recommend:*

AS TO LENOIR-RHYNE COLLEGE—

1. That the pastors and church councils bring before their congregations anew the needs and appeals of the college and urge upon them the necessity of meeting fully and promptly their pledges. This is imperative for the successful carrying out of a Progressive Program.
2. That a close study be made of the audit report, including its exhibits and schedules, in order to be able to answer all inquiries and to impart such information concerning its finances as may be helpful.
3. That the Board be authorized to employ a full-time Financial Secretary, when in its judgment it would be advantageous to the best interest of the college. And the duties and salary of said office shall be determined by the Board.
4. That these recommendations be substituted for recommendations of the President of Board 1 to 5, inclusive, found on page 75 of the Bulletin.

AS TO COLLEGIATE INSTITUTE—

1. That we express our sense of gratitude and satisfaction on the completion of the new dormitory.
2. That we urge our people to meet their pledges as promptly as possible that the remaining indebtedness may be cancelled and the necessity for paying interest removed.

AS TO MONT AMOENA SEMINARY—

That we record our deep appreciation of the splendid work that is being done, and that we heartily commend it to the patronage of our people.

Respectfully submitted,

A. R. BECK,
P. E. MONROE,

Report of the Board of the Lowman Home for the Aged and Helpless

Since the 1924 meeting of the United Lutheran Synod of North Carolina, the Lowman Home for the Aged and Helpless has con-

tinued its service to the afflicted with increased efficiency and appreciation. It has cared for seventeen (17) persons representing all classes, and both sexes, from the young to the very aged. It has had those who have become disabled by age and by disease, by epilepsy and arrested mental development, and those with deformities by birth. There have been three deaths in the Home, and two persons have withdrawn from our care, for reasons mutually satisfactory.

The organization has been improved, especially by the devoted and intelligent service of Sister Eva. Many problems have been solved in management, so that we can confidently assert that we are now ready to give proper service on a much larger scale.

The organization for the improvement and operation of the farm is now on an efficiency basis, and the farm is prepared to give greater support than ever before.

The support of the Home by the Church has been very meager, even the response of the Sunday schools showing no general attention to the resolutions previously passed by your Synod asking them for at least one annual contribution for this worthy cause. We ask that that resolution be reenacted, and emphasized.

The Inner Mission Board of the United Lutheran Church urges self-support by the Synods in the South, and is reluctant to recommend further appropriations by the United Lutheran Church. This makes it imperative that our Churches in the South place this institution in their programs.

The great need of the Home is more space and better facilities. We ask that you give approval to purpose of our Board to secure funds for the erection of the first unit of permanent buildings, as we desire it to be described by the Superintendent in person on the floor of the Synod. The farm, gardens, orchards, and poultry yards will furnish most of the food needed, and some support for other current expenses, but cannot be depended upon to provide profit for the erection of permanent buildings, and the salaries of trained help. That must be done through contributions from our churches.

The Board records its recognition of the death of Dr. W. P. Cline, the former Superintendent, and refers to its previous expressions of appreciation of his services.

The Board commends those in immediate charge of the work of the Home and testifies to their faithfulness and efficiency, with special reference to the Superintendent, Mr. C. E. Hotinger.

The following financial statements are submitted as information concerning the sources and use of the funds.

Respectfully submitted,

W. H. GREEVER, President.

Annual Report Lutheran Orphan Home of the South, Salem, Virginia

The Corporation and Board of Trustees of the Lutheran Orphan Home of the South, located at Salem, Virginia, submit herewith the following report:

We desire to acknowledge the continued direction and blessing of Almighty God. His watchful care has been over the children of the Home, and they have been kept free from sickness, pestilence, and death.

OPERATION

At the annual meeting of the Board in June, 1925, the following were elected as the officers and Executive Board of the Home:

Officers

Dr. J. Luther Sieber, President

Dr. W. J. Finck, Vice-President

Hon. R. W. Kime, Secretary and Treasurer.

Executive Committee

Dr. J. Luther Sieber, Roanoke, Virginia
 Hon. R. W. Kime, Salem, Virginia
 G. W. Tompkins, Roanoke, Virginia
 C. Markley, Roanoke, Virginia
 G. B. Morehead, Wytheville, Virginia
 Hon. W. H. Beckerdite, Winston-Salem, N. C.

The following persons were engaged as the supervisors and teachers in the Home:

Superintendent—Geo. R. Santmiers.

Physician—G. A. L. Kolmer, M.D.

Matron—Mrs. L. B. Spracher.

Chef—Mr. G. H. MacSherry.

Teachers and Supervisors—Miss M. MacSherry, Mrs. Janie Bailey
 Mrs. Cora Wheeler, Mrs. G. V. Ruhl, Mrs. John W. Howe,
 Mrs. Mable Hale.

Farm Manager—Mr. J. S. Critselous.

Office Secretary—Miss Imogen Santmiers.

At the time of the writing of this report, September 30, 1925, forty-three boys and forty-six girls were in the Home, divided among the Synods as follows:

Virginia Synod	48
North Carolina Synod	26
South Carolina Synod	9
Georgia Synod	5
Mississippi Synod	1

This makes a total of eighty-nine in the Home.

The cost of operating the Home during the year was \$24,883.45, or an average per month of \$2,073.62. This monthly cost of operation includes the feeding and clothing of the children, the payment of salaries of the superintendent, teachers and supervisors, the providing of fuel, and of other necessary expenses in the operation of the institution. We believe that this operation expense is the very lowest possible. These expenses of maintaining the Home must be provided out of the offerings made by the churches and Sunday Schools for this purpose, and by special gifts made from time to time for the operation of the Home. With the erection of the new buildings, the expense of operation will naturally be increased, and it will be imperative that the Home receive a larger amount for current expenses. It is the belief of the Executive Board that the plan of voluntary offerings in

Sunday Schools and churches from month to month is the best way of securing these funds, and we earnestly request that every Sunday School in the North Carolina Synod set aside one Sunday each month for a special offering for maintaining the Orphan Home. We have confidence that if this is done, we will receive sufficient funds from month to month to care for the children. During the past year the offerings received for current expense have not maintained the Home, and it was necessary to secure these funds from other sources. The health of the children has been unusually well, and the discipline has been good.

BUILDING FUND CAMPAIGN

On September 30, 1925, \$168,620.74 has been subscribed in the Building Fund Campaign. This amount is divided among the Synods as follows:

Georgia	\$ 8,767.83
Mississippi	168.00
North Carolina	63,094.67
South Carolina	27,503.29
Virginia	69,086.95

On the same date there had been paid in on account \$80,362.90, divided among the Synods as follows:

Georgia	\$ 4,746.02
Mississippi	97.85
North Carolina	28,243.46
South Carolina	17,110.46
Virginia	30,165.11

The Campaign Committee feel that the Campaign was a decided success, and desire to congratulate the North Carolina Synod on its splendid contribution to this most important work of the Church.

NEW BUILDINGS

Plans and specifications for the new buildings were given to six of the leading contractors and builders of Roanoke and Lynchburg. Upon opening the bids, the contract was awarded to T. J. Davis, of Roanoke, his bid being about \$13,000.00 lower than the next lowest bid. According to the contract the cost of erecting the administration building and four dormitories and a central heating plant will be \$177,450.00. This is well within the estimate which was made at the last meeting of the Board by the chair-

man of the building committee, of \$180,000.00. The above bid includes everything except the light fixtures and the furnishings.

The administration building is 100 feet by 40 feet. It will include offices for the administration of the Home, reception room, school rooms, an apartment for the Superintendent, and living rooms for the school teachers. It will also include a well equipped dining room, kitchen, store rooms, and laundry. It will be built of colonial brick. The building will face Twelve O'clock Knob, one of the famous outlooks of Virginia. The other side of the building will face a court, around which the dormitory buildings will be erected.

Each of the four dormitories will be 70 feet by 40 feet. On the first floor will be a reading room, play room, porches and office. On the second floor will be the matron's suite, dormitories, sleeping rooms and dressing rooms. There will be dormitory rooms accommodating 10 to 15. In the buildings for the older pupils there will be sleeping rooms accommodating about three. This will give the older pupils more privacy. In the basement of the buildings there will be a large play room, storage room, laundry, wash room, and bath room with showers. These buildings will be built in colonial style, and in the same type of colonial brick as used in the administration building. Everything that goes into the buildings will be of the best material obtainable, and the buildings will be of a durable and permanent nature. The buildings will be heated by a central heating plant of the latest and most approved type. The buildings will stand in a grove of oak trees, and when completed, will be one of the finest groups of buildings found in any institution of the South. It is the desire of the building committee to build large enough and permanently enough to meet the needs of our Southern orphans for all times.

The term of Rev. F. B. Lingle, of the North Carolina Synod, expires December 31, 1925. We request that his successor be elected.

Respectfully submitted,
J. LUTHER SIEBER, President of Board.

Report of Lutheran Theological Southern Seminary

It is most gratifying to be able to report to you that the work of your Theological Seminary is progressing with an encouragement which is truly inspiring. The health, happiness and spirit of the students are evidences of the divine favor. The earnestness, faithfulness and efficiency of the Professors are grounds for assurance and satisfaction on the part of the Church served by the Seminary. The increasing interest in the Seminary, arising from

a growing appreciation of its essential value, on the part of our people is the guarantee of continued and enlarged service by the Seminary.

Due to two recent changes in the officers of the Board formal and detailed reports are not available, but accurate information is submitted for your consideration. These two changes are,—the resignation by Dr. C. A. Freed from the presidency of the Board on account of removal to the Virginia Synod, thereby ceasing to be a member of the Board from the South Carolina Synod; and the resignation of Hon. C. M. Efrid as treasurer, on account of inability to longer give the time and strength required by that office.

1.—Dr. M. J. Epting, of Savannah, Georgia, vice-president of the Board, assumed the duties of president, upon the resignation of Dr. Freed, and Mr. W. F. Cappelmann, of Columbia, S. C., was elected to succeed Hon. C. M. Efrid, as treasurer.

2.—With the installation of the new treasurer the Board elected a finance committee to pass upon and authorize all loans of endowment or investment funds of the Seminary, with instructions to accept none but the safest and best accredited securities.

3.—Due to the recent increase of the salaries of the professors, and to increased cost of all operations, and to decreased income on account of lowered rates of interest on invested endowment, there is an accumulated deficit in the running expenses of the Seminary which now amounts to something in excess of seven thousand dollars, and is increasing daily.

4.—Due to the necessity for repairs, furnishings and changes in buildings, especially changes in the heating plant, the Board was compelled to borrow approximately seven thousand dollars last year for the buildings, which it did in anticipation of responses to the present appeal for a special building fund.

5.—The Board has filed an application with the Board of Education of the United Lutheran Church for an additional appropriation of \$2,500.00 a year for two years from that Board to help to meet the current operating deficit. No action on this request has been taken.

6.—The appeal to the Churches in the South, authorized by the Board and approved by all of the Synods in the South, for \$50,000 for building purposes, and \$250,000 for additional endowment, has been presented to nearly all of the congregations, in person by the Executive Secretary, since March 1st, of this year, with most encouraging results. It is expected that all subscriptions will be in hand within the next few weeks, and that the total subscribed

will approach the amount asked, with assurance that the whole amount will be secured before the appeal is closed.

7.—The number of students enrolled for the present session is thirty-three, the same number as for the preceding year, with the Synods represented as follows: North Carolina, 18; Virginia, 3; South Carolina, 9; Georgia, 2; Mississippi, 0, and one from Japan, a total of 33. These students are classified as follows: Seniors, 9; Middlers, 16; and Juniors, 10. The prospect for a large class of Juniors in 1926 is most encouraging.

In view of the pressing need for more men for the ministry you are most earnestly implored to have this matter brought forcibly and continuously to the attention of your people that the whole Church may together obey the command of the Lord to pray that laborers may be sent into the harvest.

In view for the imperative need for the space now used by the library, for additional dormitory accommodations, and a corresponding need by the library for a suitable permanent building for its exclusive use, you are asked to secure all possible support to the present appeal for the \$50,000 building fund; and in view of the distressing need for adequate support for the operation of the Seminary in increased efficiency you are likewise asked to give the best possible support to the present appeal for \$250,000 increase of the Endowment fund.

You will, under your own order, provide for your representatives in the Board, but it is requested that at your will you will give the official representative of the Seminary the opportunity to appear before your body, and that in that connection you will call for statements from your present Board members.

Respectfully submitted,

W. H. GREEVER, Exec. Sec'y.

By special request of the acting President of the Board.

- (b) Report of Prof. McAllister, Prin., March 17th, to Board Trustees, condensed as follows:

Session opened September, 1924, with gratifying enrollment. A number of applications could not be accepted on account of lack of dormitory space. One hundred more students were enrolled than we have room on campus. Students coming from ten different states. Class enrollment as follows:

25 Seniors, 25 Juniors, 30 Sophomores, 34 Freshmen, 32 Sub-Freshmen.

The teaching staff is composed of six men who have had excellent educational advantages, and most of them previous teaching experience.

The conduct of students has in general been good. The health for most part good. The prevailing spirit gratifying.

The Senior class presented to Library a set of books—20 volumes "The Authors Digest".

Eight students definitely decided to prepare for the Ministry.

When pledges were taken at Holy Trinity Church for Orphan Home at Salem, Va., the students voluntarily subscribed \$106.00.

- (c) Prior to opening of session a large furnace was installed to heat the two buildings by steam, water system overhauled and other improvements made.

The expense of above was met from funds representing income from endowment, and from campaign conducted some years ago.

- (d) Of the 25 in Senior Class, one dropped out on account of poor health, one on account of unsatisfactory work. The faculty recommended that such as are regular and stand successfully final examinations be granted diplomas, the others be granted certificates for units to which they are severally entitled which was approved by the Board.

7.—Report of opening session of 1925.

The new dormitory has been completed and was thrown open to the public September 8th with a goodly number of friends and visitors present. They pronounced it a splendid building in every respect. The session opened with only a few unoccupied rooms. Two new Professors were added: Maj. H. M. Corley, Prof. Chemistry; Capt. H. C. Hainer, Prof. of French and Athletic Coach.

- 8.—(a) The gift of classes of 1923 and 1924 of the formal entrance and steps at each side of campus. The structure is of large proportions and commanding appearance. The splendid gift will be suggestive of other timely gifts from interested friends.

- (b) Our Lutheran people throughout the Synod and other friends of Collegiate Institute must have a feeling of great pride in the splendid achievements made at the Institute in the past year and certainly appreciate the forward stride and splendid work this Institution is making. Now the balance due on new dormitory should be paid and it is hoped that all subscribers to the campaign fund will meet their pledges promptly when due, and save the Institution interest on borrowed money.
- (c) The Board of Trustees of Mont Amoena Seminary met May 26th, 1925. Prof. C. L. T. Fisher read his annual report as follows:
- (d) First: The debt has been reduced several hundred dollars, the interest on it has been paid through the Aid Society of Holy Trinity Church.

Second: We have enrolled 114 students, classified as follows: 25 Seniors, 8 in Classical Course, 7 in English Course, 4 in Music and 6 in the Commercial Course; 22 Juniors; 26 Sophomores; 10 Freshmen; 15 sub-Freshmen; 15 in the Commercial Course and 10 specials.

Third: Health of Students. We have made the usual record of good health during the year, except a rather severe siege of the "Flu", but with no permanent injury.

Nine were graduated in the Classical Course, Seven in the English Course, Four in the Music Course, and Six in the Business Course last Spring.

- (e) It is gratifying to the Board of Trustees, and all our people certainly appreciate the splendid work that is being done at the Seminary. This institution fills an important place in our Educational work of the Church. The management and general conduct of the School is excellent and deserves the patronage and hearty support of our people.
- (f) The Principal, C. L. T. Fisher, in his recent report states the indebtedness of the Seminary has been reduced \$800.00 in the past year through the splendid efforts of the Aid Society of Holy Trinity Church, Mt. Pleasant. This kind act is indeed greatly appreciated and shows clearly the deep interest this Aid Society has in our Educational work. The remaining indebtedness is now \$3,650.00. We wonder if six or eight other Aid Societies won't volunteer to assume this debt.
- (g) The enrollment for 1925-26 is 104 from several states. The general health good, deportment satisfactory.

- (h) The condition of ground and buildings is generally satisfactory. The general outlook for the year encouraging.
- (i) Thanks to Mrs. Flora McDonald Rippy for the railing to steps of main entrance to building. This kind act is greatly appreciated.

ACTION OF BOARD OF TRUSTEES FOR LENOIR-RHYNE COLLEGE.

9.—On December 9th, the following resolution was adopted by the Board:

- (a) “Resolved that Rev. W. P. Cline, D.D., be made Professor Emeritus of Latin and Greek of Lenoir-Rhyne College, and that an honorarium of \$200.00 per year during his natural life be granted him in appreciation of his services, and that the new Gymnasium be named the W. P. Cline Gymnasium in his honor.”
- (b) The Board referred to the Executive Committee the matter of employing a field agent. At a meeting of Executive Committee on December 6th a special committee was appointed with power to secure a financial agent and fixed his salary at \$125.00 per month and traveling expenses. Mr. W. J. Boger, Jr., was employed and worked for several weeks with little success, and at a subsequent meeting it was decided that this method was unprofitable and the agent was discontinued.

10.—(a) At a meeting on March 17th, 1925, a budget was adopted providing for the expenses of next session without deficits.

- (b) A committee was appointed with instructions to procure insurance on the College Building aggregating \$100,000. This amount of insurance was immediately procured.
- (c) The Committee on Athletic Field made final report on the construction of athletic field, the total cost being \$5,422.50.
- (d) The Committee on improvements on Highland Hall and Gymnasium made final report showing that cost of improvement of Highland Hall was \$10,243.68 and completing Gymnasium was \$12,855.96. The committee also reported that total cost of Gymnasium including dormitory for 40 to 50 students was only \$31,200.01.

11.—(a) At a meeting of Board April 14th, Dr. J. C. Peery presented his resignation as President of the College. By an almost unanimous vote the resignation was not accepted. At the annual meeting of Board May 26th, the President resubmitted his resignation and insisted that it be ac-

cepted. After a great deal of regret on the part of almost every member of the Board his resignation was accepted. In the interim until President is secured Dr. P. E. Monroe was engaged to serve as acting President. A special committee was appointed to make nomination for President. A call was extended which was declined and the office still remains vacant. The committee was continued.

- (b) At several meetings of the Board it became necessary to deal with certain matters pertaining to friction between members of the faculty. The Board made every effort to remove the friction and to prevent the unnecessary publicity which arose. Finally the Board for the best interest of the institution ordered that two of the chairs of the institution be declared vacant.

12.—At a meeting of Board August 28th, a special committee was appointed to secure settlement in cash or satisfactory note for all due and unpaid pledges.

13.—At last meeting of Synod the Board of Trustees was instructed to hasten the erection of new dormitory for girls. The trustees fully realize the need of the building and it was their intention to erect it during this past year, but this was impossible on account of the non-payment of pledges when due.

- 14.—(a) At a meeting of the Board on September 11th by motion passed, the Chairman, the Secretary of the Board, and Mr. W. K. Mauney were appointed a committee to prepare a statement for publication in the *North Carolina Lutheran* concerning the solvency of the security of loans by the College.

- (b) Report of the summer school was furnished by Business Mgr. as follows:

Receipts from 511 students	\$6,132.00
Disbursements	\$5,625.55

By motion passed, the Treasurer was instructed to pay the summer school director, Dr. F. C. Longaker \$306.45 of above profits, less his subscription of \$100.00 to Appeal Fund with interest. Dr. Longaker having assumed responsibility of any deficit.

- (c) The following action was taken:—That hereafter the Board assume the responsibility for the Summer School.
- (d) It was ordered that the \$600.00 paid by Dr. Peery in the purchase of the College car be refunded by the College to him. Dr. Peery expressed his sincere thanks to the Board.

- (e) Dr. E. J. Sox was elected to the office of Dean of the College with the stipulated additional salary of \$200.00.
- (f) It was ordered that article "13" of the constitution providing for the installation of Professors be carried out. The newly elected Professors were installed on September 11th, by Dr. J. L. Morgan, President of Synod.
- (g) The committee appointed to look after the grave of the late Mr. W. P. Hoffman reported the work done.
- (h) It was ordered that every member of the Faculty be required to sign their contract with the College within thirty days after their acceptance of the position for each year.
- (i) A motion was passed; that a committee of five be appointed to look after the financial interests of the College in the way of securing donations through wills and otherwise, and that this committee be required to report at every regular meeting of the Board.

A committee was appointed to nominate the above committee which reported the following:

Rev. W. J. Boger, D.D.

Mr. C. A. Rudisill

Mr. J. H. C. Huitt

Mr. D. W. Aderholdt

Mr. J. V. Sutton

The report was adopted.

15.—It might be interesting to the people throughout our Synod to have enumerated briefly some of the achievements of the College during the past six years.

The funds in cash and subscriptions to the College have been increased over \$800,000. Additional lands have been secured in the amount of about 19 acres, thus providing for space for all possible developments in the future. All the old buildings have been renovated and dormitories practically refurnished. A splendid Gymnasium with Dormitory has been erected ready for use. An Athletic Field that is a credit to any college has been constructed. Considerable additions have been made to the Library and Laboratories, and many other improvements. The preparatory department has been discontinued, and our efforts have been directed to building up a strong Collegiate Institution. The enrollment has grown rapidly, last year numbering 364 students in regular session, and 511 in the summer school, a total of 875. The graduating classes are now numbering 50 or more.

The Summer School work inaugurated five years ago has fast become an important factor in the institution.

The Faculty has been greatly increased and with men of highest qualifications.

An important item in the work of the institution is the increasing appreciation of the city of Hickory and the loyal support she is giving the College.

The loyalty of the student body and splendid College spirit manifested by them is gratifying.

So much has been done at the College, but in order that the institution may continue to grow, the Trustees elected by the Synod must have the cordial and unqualified support of the Synod, both in its official capacity and in all its membership. The people throughout the Synod should realize that this is their institution and the Board of Trustees are only their agents in this great work of Christian education. We as your agents can only do such things as you make possible for us by your financial and moral support.

At the last meeting of Synod the following resolution on Church institutions was adopted:

"That Synod urge all congregations and congregational Chairmen to see that all building and endowment pledges are promptly and fully met."

This was a resolution, but it calls for action. It is my opinion, and I believe it is the opinion of every member of the Board, that if all the Pastors of the Synod would whole-heartedly endeavor to put this resolution into effect, their efforts would be blessed to such an extent that all pledges would be paid, and the institution would enter into an era of prosperity and service that would fill them with pride. Pastors can also be of great assistance in creating an interest in our institution and in allaying unfounded criticism. If we are to serve you well we deserve and must have this kind of cooperation.

Few of our people throughout the Synod realize and appreciate the strenuous efforts of members of the Board in trying to build up and firmly establish a strong Christian College for our Southern Lutheran Church.

Members of the Board spend days and days holding meetings and members of special committees spend much time in looking after and working out the details of the necessary improvements that can be made in our institutions. Others spend many, many days and into the wee hours of night traveling over the territory of our Synod endeavoring to strengthen our institution financially. They also burn the midnight lamps in working out the needs, the policies, and how to better the conditions of our institution.

For all these things we have been bountifully compensated, with the most vile criticism and abuses from many of our so-called co-workers and Christian people.

It is time to wake up and consider seriously for a moment your duty to your College, The Child of the Church, and how little some of you are doing in moral and financial support towards the development of a great Christian College for the boys and girls of our Lutheran Church, and the boys and girls throughout this section of the country.

Build our College and give our boys and girls a Christian training, and you need not fear the development of the Church in the future. Neglect your school and the progress of the Church will be retarded.

It is to be regretted that some members of the Board are careless in attending Board meetings and show very little interest in the educational work. The Board and Synod needs the wise council and service to the fullest extent, of every member of the Board.

Before my term as a member of the Board expires, in November, I desire to offer a few recommendations as follows:

- 1.—That any Board member who shall be absent as many as three times from regular meetings of the Board, be declared ineligible and the Board shall have the power to terminate his or her membership and elect a new member to fill the unexpired term, except in cases of sickness or other justifiable reasons, in such cases the Board may vote to excuse the absentee.
- 2.—That no person be nominated on floor of Synod for membership on Board of Trustees who is not considered deeply interested in the educational work of the Synod and is believed to be willing to sacrifice his or her valuable time to render faithful service to our Educational Institutions. I further recommend the nomination of some of our Ladies for Board Members who take an active part in Church and Educational work. When they are interested they do things.
- 3.—I further recommend that Synod employ a full time field agent or financial secretary at a salary of not less than \$3,000 a year who shall devote his full time to securing donations, assist and keep in touch with persons in arranging their wills, who are inclined to remember and help our institutions and to collect unpaid pledges, etc.
- 4.—That every Pastor in the Synod who is willing to give his whole-hearted support and use his influence in his congregation for the further development of our Educational Institution indicate it by a rising vote on floor of Synod.
- 5.—That Synod urge every Pastor to impress upon the members of his congregations the importance of paying up in full their

pledges or subscriptions to endowment and appeal. No obligations should be more binding or receive more prompt attention than our obligations to the Church. We are tenants of the Lord. Should we pay the rents due Him?

Respectfully submitted,

D. W. ADERHOLDT, Chm. of Board.

Audit Report—Lenoir-Rhyne College

Mr. D. W. Aderholdt, Chairman, Board of Trustees,
Lenoir-Rhyne College, Hickory, N. C.

Dear Sir:

In accordance with your instructions we have made an audit of the books and records of Lenoir-Rhyne College, Hickory, N. C., for the period beginning Sept. 1, 1924, and ending June 30, 1925, and herewith submit our report.

It will be noted that the form of the Exhibits and Schedules has been changed from those shown in previous reports. This change was made to bring them into conformity with those endorsed by the General Education Board with headquarters in New York City. In the main we have followed the suggestions set forth by Trevor Arnett in his book "College and University Finance", published by the General Education Board, adapting them to the conditions which exist at Lenoir-Rhyne College. Because of the valuable discussions of the financial policies and problems of Colleges and Universities contained therein, we would recommend that this book be read by the Trustees, Officers and others interested in the financial welfare of Lenoir-Rhyne College.

In this report we have set forth, first, a summary of the net income and disbursements for the ten months period covered by this audit. This is shown by Exhibit A. From this exhibit it will appear that receipts from Student Fees for the instructional departments amounted to \$29,616.09; income from the permanent funds and investments totalled \$20,164.27; and miscellaneous receipts from activities other than instructional, such as dining halls, dormitories, book store, athletics, etc., totalled \$20,987.48. These constitute what might be called the normal income for educational purposes and total \$70,767.84. The detailed information showing the receipts by departments is shown in Exhibit C.

In addition to these normal income items there was a total of \$40,173.25 collected on subscriptions to the Lenoir Appeal Fund, at a Collection cost of \$4,142.37, or a net income of \$36,030.88 from this source. There was also \$5,000.00 cash received through the retirement of Fifty Shares of Howell Mfg. Co. stock; \$1,000.00

from retirement of one of the Mecklenburg County Drainage Bonds; \$2,500.00 from the payment by Miss Maude Reinhardt of her note; and \$2,250.00 by the liquidation of the note held against M. C. Troutman. The total net receipts from these sources during the ten months' period amounted to \$46,780.88. The total income from all sources totalled \$121,691.09.

In general a college expends its money for two purposes: first, expenses of operation or current expenses; and, second, for land, buildings and equipment, or capital expenses. In the case of Le-noir-Rhyne College the expenses of operation totalled \$70,624.01, segregated as follows:

Instructional	\$35,803.55
Operation and Maintenance of Physical Plant	3,090.22
Miscellaneous Departmental	15,401.50
General Administrative	16,328.74
	\$70,624.01

Detailed information for these expenses are shown in Exhibit D.

The capital expenses for the year, as shown by Exhibit E, were as follows:

Gymnasium Building	\$14,110.09
Building Costs Other than New Gymnasium	3,577.94
Athletic Field	5,519.55
Real Estate, other than the Athletic Field	5,000.00
Additions to Equipment	1,313.90
	\$29,521.48

Practically all of which was met by the collections from the Le-noir Appeal Fund. In addition \$15,941.02 was applied to the reduction of notes owed by the college to banks and friends of the college, making a total of \$45,462.50. The total expenses from all sources during the ten months amounted to \$120,228.88.

In connection with the expenses it is interesting to note that although there was some increase in the salaries of the educational departments, all other expenses of the departments were less than for the previous year. There was also a decrease in the operation and maintenance costs of the physical plant. Administrative and general expenses were also decreased considerably. The net result for the ten months is a decrease in expenses or an increase in income sufficient to change an operating loss last year into a small operating gain.

From the above data it appears that the total income from the normal educational sources, as shown by Exhibit C, amounted to \$70,767.84, while the current operating expenses, as shown in Exhibit D, totalled \$70,624.01, or an excess of operating income over expenses of \$143.83. Exhibit A shows that the year's gain in total current assets amounted to \$1,462.21.

In Exhibit B we have set up a balance sheet showing the financial condition of the College as at June 30, 1925. It will be noted that this balance sheet is composed of four main sections: namely, Permanent Funds, Plant, Current and Contingent, the total debits and credits of which equal each other. Under the heading of Permanent Fund Assets are included the stocks, bonds, notes and mortgages receivable, and funds in the hands of Trustees, with the restrictions upon each shown on the Liability side of the Balance Sheet. The detail statement of these funds is shown in Schedules 1 and 27.

In connection with the mortgage notes, shown in Schedule 2, we wish to again call attention to the condition set forth in our report of last year that many of these notes were past due. We find that during the year a number of new notes have been given to replace those past due, but there are still many overdue. We would recommend that these overdue notes be replaced by new notes as rapidly as possible.

During the year fifty shares of Howell Mfg. Co. stock was retired at par, one \$1,000.00 Mecklenburg Drainage Bond matured; the note of Maude Reinhardt for \$2,500 and that of M. C. Troutman for \$2,250.00 were paid, and two Carolina Cotton Mills 6% First Mortgage Bonds amounting to \$1,000.00 were added, also a note of St. Andrew's Congregation for \$1,950.00.

With reference to Plant Assets we have taken the values for Buildings, Grounds and equipment that were already shown on the books and carried forward by previous auditors, except where additions have been made during the past year, in which case the construction costs have been added to the asset values.

The third section of the Balance Sheet deals with current assets and liabilities. In connection with this section we verified all bank balances with the bank statements, as shown in Schedule 3. The totals of accounts receivable have been accepted as shown on the books without confirmation by correspondence. The Student Notes Receivable were verified by inspection. The totals for the amounts owed by the college upon open accounts and notes were determined from the records in the possession of the college as well as from invoices. They have not been verified by correspondence except for the notes due the First National Bank and the Consolidated Trust Co. of Hickory.

It will be noted that the current section shows an excess of current liabilities over current assets amounting to \$24,727.86. This is largely due to the fact that the amount owed by the College on promissory notes still amounts to \$34,396.53, although considerably reduced during the year. It will be noted, from Exhibit E, that a large proportion of the proceeds from the collection of the Lenoir Appeal subscriptions were used to increase the capital assets of the college rather than to the reduction of the notes payable account. Until these notes are taken care of the balance sheet will continue to show an excess of current liabilities over current assets. We would recommend that these notes be retired as rapidly as possible.

The fourth section of the balance sheet deals with the subscriptions to the various funds of the college which are unpaid or not yet due. Although undoubtedly a large percentage of these subscriptions will be paid ultimately, still it has been the experience of many colleges that for one cause or another many subscribers do not pay when their subscriptions come due. Consequently it is neither good financial nor accounting policy to consider such subscriptions as more than a contingent asset. Otherwise, the balance sheet would not show the true financial condition of the college. The total of \$348,462.27 was determined by an audit of the individual subscriptions as shown in the Lenoir Appeal Fund subscription ledgers in the office of the college President. They have not been verified by correspondence with the individual subscribers.

In connection with the detailed information shown in Exhibits C and D, we would call attention to the comparison of this year's items with those of last year. It should be taken into consideration, however, that the figures from this report cover only a ten months' period, while those of last year were for the full twelve months. This is particularly important with the items relating to the summer school, which had only just started at the date of this report. Also in a number of cases it has not been possible to show the comparative figures because the data for last year was not segregated. These are unavoidable conditions due to the change in the form of the report and the change in the fiscal period of the college. However, there is enough comparative information to assist the trustees and officers in preparing their 1926 Budget, while next year it should prove of invaluable service to them. We have suggested certain changes in the book-keeping to the college officers which will materially assist in securing this information rapidly and accurately.

We would also call attention to Exhibit F which shows in detail the operations of the dormitories and the dining halls. The

figures in this Exhibit do not contain the summer school transactions.

In closing we wish to express our appreciation for the cordial assistance furnished us by the college officers and faculty during the progress of our audit.

Subject to the foregoing comments, we certify that the attached balance sheet and statement of Receipts and Disbursements correctly present the financial condition of Lenoir-Rhyne College at June 30, 1925, and the result of the operations for ten months' period preceding, respectively, and are in agreement with the books.

Respectfully submitted,

H. C. NORTHRUP, C. P. A.

Report of Committee on Inner Missions

Your Committee on Inner Missions report that no matters of interest, or report of work done, has come to their attention. We feel that with the changing civic and economic conditions in our State, the time is upon us to keep in readiness this useful arm of the Church, and recommend the cause of Inner Missions to the pastors of the Synod.

E. R. McCAULEY,

E. A. SHENK.

The Report of the Committee on Letters and Petitions was received for consideration by item.

Items 1, 2, 3, and 4 were adopted in turn.

Item 5 was referred to the Mission Committee for investigation and recommendation to the Executive Committee with power to act.

Items 6 and 7 were adopted.

Item 8 was adopted by a rising vote.

The Report was adopted as a whole.

Report of Committee on Letters and Petitions

Your Committee begs to make the following report:

Item 1.—A communication from St. John's Church, Caldwell Co., N. C., formerly belonging to the E. L. Joint Synod of Ohio, is addressed to this honorable Body, asking to be received into connection with this Synod and desiring to be placed in the Lenoir Pastorate. The congregation has a satisfactory arrangement with the Lenoir Pastorate and called Rev. P. D. Risinger. The congregation has submitted a copy of the constitution which it has adopted. While it is not the one recommended by this Synod, it is in accord with the same in its principles.

We therefore recommend that the request be granted.

Item 2.—A like petition is presented by Bethel Congregation of Brookford, near Hickory, N. C., asking to be received into this Synod. This congregation was organized by student C. K. Wise, Aug. 30, 1925, with 25 members. The constitution recommended by this Synod has been adopted.

We recommend that this petition be granted.

Item 3.—An overture from the Southern Conference of the United E. L. Synod of N. C. is addressed to this honorable Body memorializing Synod of the need of a proper and adequate building for Archives and Museum.

While this is a goal to be kept before Synod, your committee would recommend:

a—That the consideration of purchasing such property and erecting such building be deferred and that the Archives at Lenoir-Rhyne College, and such other room as may be necessary, be used for the present.

b—That a committee of five be appointed whose duty shall be to seek and secure such source material as will be valuable in the making of a true and accurate history of the North Carolina Synod, of the Tenn. Synod and of the United E. L. Synod of N. C. That the personnel of said committee be not changed, except from necessity, for a period of ten years.

c—That the sum of two hundred and fifty dollars per annum be set aside by Synod to be used, when needed, in the purchase of such valuable historic material as may not be secured by gift.

d—That if conditions demand it, the Executive Committee of Synod employ a secretary who shall assist the President in his work, also the Committee provided for above.

Item 4.—The Jewish Mission of Baltimore petitions this Synod to designate the 18th Sunday after Trinity as the day for pre-

senting the cause of Jewish Missions to our congregations and the taking of a special offering for the same.

We recommend that this petition be granted and the 18th Sunday after Trinity be so designated.

Item 5.—Holy Trinity Lutheran Church, Mt. Pleasant, N. C., presents a request for aid to the amount of \$1,000.00 per annum for three years to enable said congregation to secure the services of an all-time pastor.

We recommend that if the condition of our Synodical treasury will warrant it, that this request be granted.

Item 6.—Revs. M. J. Klutz and B. S. Brown, D.D., ask to be excused from attendance upon this meeting of Synod on account of sickness.

We recommend that they be excused.

Item 7.—The Laymen's Meeting held in connection with the 122nd convention of the United E. L. Synod of N. C. presents the following,

We, the Lay Delegates of the 122nd Convention of the E. L. Synod of N. C., seeing the large number of pastorates not represented by a lay delegate and realizing the handicap this is to the consummation of the plans of Synod, beg to petition as follows:

1st. That the Synod request the Brotherhood to circularize the congregations of Synod during the next year calling their attention to the importance of all the Lay delegates attending the entire sessions of Synod and also the Conferences, so that they may the more intelligently assist in carrying out the work of the Church.

2nd. That Pastors be urged to do all in their power to impress the importance of this matter upon the hearts of all our people.

3rd. That all congregations be urged to elect their lay delegates at least one month before the meeting of Synod and to serve for at least one year.

We recommend that this be granted.

Item 8.—St. John's Lutheran Church, Salisbury, N. C., presents an invitation to this Synod to hold its next annual convention with them.

We recommend that this invitation be accepted.

Respectfully submitted,

W. J. BOGER,
E. C. COOPER,
B. S. BROWN, JR.,
B. CAPPS,
D. B. CASTOR.

The Report of the Board of Trustees for Disabled Ministers' Fund was received and adopted.

Report of Board of Trustees for Disabled Ministers' Fund

The Board of Ministerial Pensions and Relief makes the following report which is practically the same as that of last year:

There are on the pension list of the United Evangelical Lutheran Synod of North Carolina six ministers, twenty-three widows and three children who are receiving this year \$7,000.00, including \$480.00 in special relief.

Since the amount of money available for the Board from the budget of the United Lutheran Church in America is not sufficient to care for her dependent ministers, widows and children, the aforesaid board is asking for special offerings and individual gifts from congregations, Sunday Schools and individuals.

Your Board recommends the following:

1.—That this cause be presented by all of our pastors sometime during the Christmas season and that an earnest appeal be made in every church or Sunday school for a liberal offering for Ministerial Pension and Relief and be sent in as a "special".

2.—That an offering be gathered at the Ordination Services for Ministerial Pensions and Relief.

3.—That an offering be gathered at all installation services of pastors for the same object, and be sent in by the congregation as a "Special" for Ministerial Pension and Relief.

4.—That the pastors of the Synod, in preparation for the campaign for \$5,000,000 in 1927-1928 present or have presented once each year in each of their congregations the cause of Ministerial Pension and Relief in order that the way be prepared by giving the people an intimate knowledge of the work.

Report of Committee on Stewardship and Benevolence

To the United Evangelical Lutheran Synod of North Carolina:

Your Committee on Stewardship and Benevolence, supplementing the report shown on page 76 of the Minutes of the One Hundred and Twenty-first Annual Convention, submits the following:

That about the first of January, 1925, your committee sent the several pastors of the Synod report blanks, which when properly filled out and returned would furnish information as to the result of the Every Member Canvass conducted about the Thanksgiving season in 1924 for the local expenses and Synodical Benevolences of the respective congregations for the year 1925. The percentage of the membership of the congregation contributing was requested as well as the amount contributed to local expenses and Benevolence. A stamped envelope, addressed to the Chairman of your Committee, was enclosed for the return of the report. Approximately fifty per cent. of the congregations made the reports, furnishing the information desired.

A summarized statement of the result of the canvass as shown by the reports received, follows, to wit:

- 1.—50% of the congregations reported back to the Committee as requested.
- 2.—Of the congregations reporting, 89% of the membership made pledges for Local Expenses, 68% made pledges for Benevolence.
- 3.—The total amount pledged for Local Expense\$105,742.37
The total amount pledged for Benevolence 33,706.63

From the report it further appears that a large majority of the congregations use the Duplex Envelope. However, quite a number of the congregations use the Simplex Envelope and include the Synodical Apportionment for Benevolence in the Congregational Budget.

It is noted that the Greensboro Congregation did not make the canvass in the usual way but for some weeks before the canvass day advertised that the committee would be at the church and every member was expected to go to the church and sign his pledge card. This plan worked successfully at Greensboro.

Respectfully submitted,

B. B. MILLER, Chairman.
